

**“The Truth As We Know It”**  
**The Law Of The Harvest**  
**The consequences of Sin**

5/10/15

Last week I talked about the law of the harvest. It will take several weeks to cover this subject thoroughly, but this is such an important subject that I don't want to short cut any of it. So please listen each week to get the full story as I see it. So let me continue the thought today. Number one, "There are consequences to every choice we make. "Sometimes it takes many years to come to fruition, but it will come. Reading Gal 6:7-8, "Be not deceived; God is not mocked: for whatsoever a man sows, that shall he also reap. For he that sows to his flesh shall of the flesh reap corruption; but he that sows to the Spirit shall of the Spirit reap life everlasting."

I want to address in particular what is happening to our country as a result of the backsliding that we are seeing happening all around us. Let us look at a couple of scripture that help us to understand what is happening to us. As a result of taking God out of our culture, we see this! And we read Ps 9:17, "The wicked shall be turned into hell , and all the nations that forget God." And Ps 50:22, "Now consider this, ye that forget God, lest I tear you in pieces, and there be none to deliver."

When God is ignored, Violence takes its place! In Gen 6:11 we read, "The earth also was corrupt before God, and the earth was filled with violence."

And in Gen 6:13, "And God said unto Noah, The end of all flesh is come before me; for the earth is filled with violence through them; and, behold, I will destroy them with the earth." When the citizens are no longer God conscious, what is to keep them from lashing out at whatever they want to blame for their troubles. Today we are seeing that violence! And it will only get worse unless we as a country truly turn back to God in a serious revival!

When I was growing up, no-one locked their doors! We didn't need to! Our neighbors could be trusted to respect our privacy. When a nation forgets God we can expect serious consequences!

When our nation began to deny God through our schools and courts, we tried to solve the worlds problems by our own wisdom. But we need to hear what God tells us in Pro 14:12 and we read, "There is a way which seems right to a man, but the end thereof are the ways of death."

In the 1960s & 1970s the United States & the world set out to save the earth by stopping the growth of the general population. By that they would give a better life to the few. They said the world was going to run out of food and people would starve. It was during this time that abortion was considered a good option.

Homosexuality was a way for people to have a sexual life without growing the population.

The population control movement was active throughout the 1960s and 1970s driving many reproductive health and family planning programs.

This is a quote from their literature, "Population control may use one or more of the following practices although there are other methods as well: contraception , abortion , emigration, euthanasia and War"

China began the forced abortions, allowing only one child per family.

The American family became much smaller. Large families were frowned upon.

All these are a denial of God! We said God's word cannot be

trusted! So we thought we need to come up with a better idea!  
God said, "Be fruitful, and multiply!"

Godly Children are a blessing, not a curse! In Ps 127:3 we read, "Lo, children are an heritage of the LORD: and the fruit of the womb is his reward." and in Ps 127:4-5, "As arrows are in the hand of a mighty man; so are children of the youth. Happy is the man that hath his quiver full of them:"

Some of the greatest people that ever lived were from large families. There was John & Charles Wesley.

Their Mother, Susanna Wesley was the 25th child of twenty-five children. Susanna and her husband Samuel Wesley had nineteen children. Many of the children did not survive to adulthood. At Sasanna's death only eight of her children were still alive. They were desperately poor, but Susanna home-schooled her family.

Both John & Charles Wesley were born late in the family. John Wesley was the fifteenth child in the family, Charles was even later. God used them both in an awesome way to be bring about the great awakening in the US and Europe. The Great Awakening led to the Revolution that set us free as a nation.

My dad was the tenth child in a family of twenty. I am the eleventh in a family of twelve. My late wife was also a member of a family of twelve.

I believe God has a supply for each person born. In Job 29:12-13 we read, "Because I delivered the poor that cried, and the fatherless, and him that had none to help him. The blessing of him that was ready to perish came upon me:..."

What is sad is that even the Christian Church bought into this thinking,

and we all started having smaller families. Now I understand that infant mortality was very high in years gone by and many of the children never grew to be adults, but children from larger families tend to make more productive citizens because they learn responsibilities from very early in life.

And children properly raised are a great blessing to their parents and society in general. Remember the scripture in Ps 127:3, "Lo, children are an heritage of the LORD: and the fruit of the womb is his reward."

God knows how to control the population! In Ps 37:10 we read, "For yet a little while, and the wicked shall not be: yea, thou shall diligently consider his place, and it shall not be." And in Ps 91:5-8 we read, "Thou shall not be afraid for the terror by night; nor for the arrow that flies by day; Nor for the pestilence that walks in darkness; nor for the destruction that waists at noonday. A thousand shall fall at thy side, and ten thousand at thy right hand; but it shall not come nigh thee. Only with your eyes shall thou behold and see the reward of the wicked."

There is a culture that is not aborting their children and are having large families! It is the Muslim culture! Instead they are actively recruiting young girls from around the world to come and be one of the multiple wives of their soldiers for breeding purposes. If God does not intervene, Europe will be ruled by Muslims with a few years and America in a few years after that. They are making every effort to bring the world into a Muslim ruled Caliphate with sharia law.

When a nation denies God, trouble follows! In Rom 1:21-22 we read, "Because that, when they knew God, they glorified him not as God, neither were thankful; but became vain in their imaginations, and their foolish heart was darkened. Professing themselves to be wise, they became fools,"

When a nation denies God and tries to do things their own way they are depending on a spider's web! In Job 8:13-15 we read, "So are the paths of all that forget God; and the hypocrite's hope shall perish: Whose hope shall be cut off, and whose trust shall be a spider's web. He shall lean upon his house, but it shall not stand: he shall hold it fast, but it shall not endure."

Sin and a denial of God brings with its own judgment and I believe America is about to face it. Only a revival like the great awakening with change that outcome in my view. We have this promise in 2Ch 7:14 and we read, "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

Listen again next week.

This we do know, The Bible is God's Word, God's word is true, Jesus Christ is God's son, Jesus died to save us from our sin, Without Jesus we are eternally lost. Neither is there salvation in any other: for there is no other name under heaven given among men, whereby we might be saved. Atheism is a temporary condition, for every knee shall bow and every tongue shall confess that Jesus Christ is Lord! Jesus stands ready to save you now, Will you call on Him today?

Until next week, God bless.
